

Lubee Bat Conservancy

Saving Bats. Conserving Ecosystems. Inspiring Stewardship.

2023

Hello!

My name is Tracy Pope, the Programs & Event Coordinator of Lubee Bat Conservancy. I'm writing today to invite you to take part in the highly anticipated **19th Annual Florida Bat Festival**, held **Saturday, October 21st, 2023; 10-5pm**.

The 2022 Florida Bat Festival attracted **5,000** visitors from **Alachua County, 32 Florida counties, and 15 US states!** Each year promises something new for the whole family to discover. Guests of all ages enjoy games & activities, live music, samplings from local Florida brews in our Beer Garden, visiting with 100+ vendors, or watching our beautiful bats at play.

By financially sponsoring the Florida Bat Festival, you become an integral part of a well-loved Gainesville family friendly fall festival. Your sponsorship will showcase your company's support and commitment to children, wildlife, and our local community.

The Florida Bat Festival is a highly regarded landmark destination for the community, and is heavily covered by local newspapers, radio, and television stations. Through our partnership with Explore.org, people all over the world are watching our bats live, 24/7, and your business/logo could be displayed to a global audience!

The following pages discuss the **Sponsor Benefit Chart and Agreement Form**. If you have any questions, please contact me via the email below. I am happy to discuss any questions you may have regarding your potential participation. All donations are tax deductible.

I hope that you'll consider supporting a truly unique local Gainesville gem, and become an integral part of our festival, our conservation endeavors, and our education programs. We value your support and the community recognizes it.

Thank you for your time and consideration.

Sincerely,

Tracy Pope
