

Lubee Bat Conservancy

Saving Bats. Conserving Ecosystems. Inspiring Stewardship.

2022

Hello!

Lubee Bat Conservancy would like to invite you to take part in our highly anticipated **18th Annual Florida Bat Festival**, held **Saturday, October 22nd 2022, 10-5pm**. Join the festivities and take part in a well-loved, family friendly fall festival. Your sponsorship of the Florida Bat Festival will showcase your company's support and commitment to children, wildlife, and our local community.

The 2021 Florida Bat Festival attracted **4,500** visitors from **Alachua County, 30 Florida counties**, and **19 US states!!** Each year promises something new to discover. Guests of all ages enjoy games & activities, live music, sampling local FL brews in our Beer Garden, visiting with over 50 vendors, or watching our beautiful bats. The FL Bat Festival offers something for the entire family. Bat Fest is a highly regarded landmark destination for the community, and is heavily covered by local newspapers, radio, and television stations. Through our partnership with **Explore.org**, people all over the world are watching our bats live, 24/7, and your business and logo could be displayed to a global audience! We kindly ask that you consider sponsoring the **18th Annual Florida Bat Festival** and become an integral part of our conservation and education programs.

On the following pages you will find the **Sponsor Benefit Chart** and **Agreement Form**. Your generous donation is tax deductible and allows your business the opportunity to demonstrate public support of local and global **environmental education** and **wildlife conservation**. By supporting Lubee Bat Conservancy, you are part of something **truly unique** and will be helping Lubee to continue our programs.

We **value your support** and the community recognizes it.

To participate in this year's FL Bat Festival, contact myself via my email below. I am happy to discuss any questions you may have regarding your potential participation.

Thank you for your time and consideration.

Sincerely,

Tracy Pope
