New This Year!

Baby Bats!

Be on the look out for those bat pup peeking out from under their mum's wings!

Bats, Bats, and Did We Mention Bats?

Since last year, we have welcomed over 70 bats into our colony! From fluffy balls with tiny faces, to golden beauties with their rabbit like ears, just waiting to hear your AHHHS!!! You'll enjoy seeing all the bats munching on fruits and playing with their toys!

Scavenger Hunt

Take part in our new property wide Scavenger Hunt and discover the secret word about bats. Great for all ages!

Hide And Seek

Follow the clues to help find Mungbeanz our resident SKunk Ape hiding like all World Class Hide and Seekers are. He stepped out to enjoy all of this year's bat-tivities.

Stride With Giants

Dare to walk beside today's giants, big and small, and be amazed by the wonders of nature.

Guano Greens

"Guano" is in the name only... promise! Be one of the first to try out our brand-new 8-hole mini golf course. No scorecard needed — just good shots, bad jokes, and bragging rights if you're bold enough to claim them.
