

Lubee Bat Conservancy

Outreach Program 2025

Updated 13NOV24

Lubee's Outreach Program is all about bats, their habitats, and the conservation efforts that are vital to ensuring that future generations continue to support bat and global wildlife conservation efforts.

Lubee Outreach presentations meet a variety of age groups, from pre-K to senior citizens. Presentations are conducted on location at your day care, school, library, church, business, senior living facility, etc. Our Outreach Program will generally consist of a PowerPoint presentation which focuses on age appropriate bat facts, followed by a showing of the Lubee's Ambat-sadors!

LUBEE AMBAT-SADORS:

The Lubee's Ambat-sadors include fruit and native Florida bats. Ambat-sadors are only available for day presentations within Alachua County and/or within a 30-minute drive from Lubee; whichever comes first. Some exceptions may apply.

Please note the following:

- Bats will NOT be removed from their travel enclosures. NO EXCEPTIONS.
- BATS ARE NEVER TOUCHED OR HANDLED BY GUESTS. NO EXCEPTIONS.

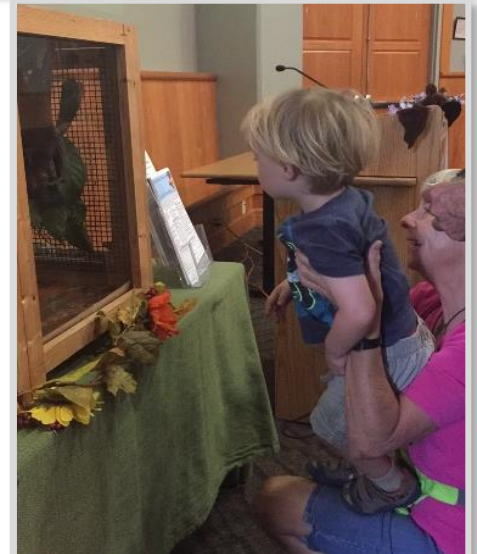

Requests for outside Alachua county or 30-minute drive time, contact info@lubee.org.

DONATION AMOUNT: \$175

Lubee is a small non-profit facility, and we receive **little, to no funding assistance**. Your donation, supports our Education Program and helps feed the Lubee residents.

- Additional programs on the same date are \$75.

TRAVEL: Lubee is able to travel throughout the greater Gainesville area and Alachua county. For outside Alachua county contact info@lubee.org. Special considerations may apply.

AVAILABILITY & TIME: 11am – 1:30pm

Presentations are an hour in length and available based on availability. The first program start time is offered at 12pm, with the last program being offered at 1:30pm. A 3-week+ notice is required to schedule. Evening presentations can be accommodated, though NO Education Residents will be in attendance.

REQUIREMENTS:

Lubee loves sharing our Lubee Ambat-sadors with everyone and require a few items to make our travel easier on us and the Outreach Program a success. The following will need to be provided:

- A projection screen or blank wall for the presentation.
- A projector with an HDMI cord. Lubee will bring our laptop.
- Available electrical outlets.
- One (1) table to set our display on.
- One (1) table to set the Ambat-sador travel enclosures on.
- Presentation space must be in a climate controlled enclosed building.

You never know who's gonna show up!
